### **Advertising**

How would you like to have a full time person to review, comment and recommend additions, changes or approval of all advertising entered into by your Approved Persons. We can fulfill all your advertising review needs for any advertising method used by your Approved Persons.

We have the resources to review any of the following in accordance with current regulatory requirements:

- All print advertising, including but not limited to:
  - Letterhead
  - Business cards
  - Brochures
  - Memo templates
  - fax cover sheets
  - Signage
  - Newsletters
  - Newspaper and billboard advertising.
- Radio and television advertising.
- Dial in advertising, often provided by an outside source.
- External source Portfolio Summaries disclaimers.

At the time of the review, we also provide current best practices to assist with any required changes.

Our files are very detailed, kept in immaculate order and will be made available to the regulators at the time of your Compliance Audit.
